#### Remarks

The Gardenia House - Breath Taking Views of the Gulf from Rare Rooftop Lounge Deck. Situated in the heart of coveted Golden Beach, this extraordinary 4-bedroom, 5-bath residence offers a rare blend of classical elegance and contemporary refinements, all just steps from a secluded deeded beach access. Influenced by the famous architect Frank Lloyd Wright, the Gardenia House reflects some of his earliest Prairie Style designs identifiable by its large overhanging eaves, and strong horizontal lines. The home's effective year build is 2005. The 3 story addition was completed in 1999 and major renovation work has been done to the entire home over the last 20 years, including electrical, HVAC, plumbing work and new kitchen and baths. Located along the prestigious Gardenia Drive, the home boasts 3,364 sq. ft. of masterfully crafted living space. The redesigned gardens wrap the property in a lush, tropical oasis, with multiple serene outdoor living areas, including a rooftop balcony with breathtaking Gulf views, and a spacious screened lanai with the 2008 built swimming pool. Inside, timeless craftsmanship meets modern luxury. From vintage wide-plank hardwood floors to detailed custom trim, elegant marble baths, and dramatic vaulted ceilings with rich stained beams, the home exudes
